Cedepca – a way of being. . .

Cedepca is an ecumenical training center that provides safe, accepting, creative spaces where women and men from many different Christian traditions can deepen their faith while they strengthen their ability to confront the key issues facing their communities.

Cedepca seeks to form thoughtful, compassionate disciples of Jesus Christ whose world is big enough to include all God's children and who care for all of God's creation.

Cedepca offers people the tools to eradicate violence and injustice in their world, especially violence against women and children.
