OUR PRESBYTERIAN SEMINARIES

Committee on Theological Education	COTE, GAMC, PCUSA	BOOK
------------------------------------	-------------------	------

The Committee on Theological Education produced this resource on behalf of and in partnership with our ten Presbyterian seminaries. Ours is a ministry collaboration that, at its best, serves the church. "Seminaries and churches together ... for generations to come ..." is more than a logo and slogan; it is our hope and prayer as we outline, on behalf of the PC(USA), the more expansive view of theological education that we believe the triune God is calling us toward. It is a view of theological education, of church leadership and vocational discernment that takes into account the people and places, the minds and the hearts of Presbyterians in and related to seminaries in a variety of ways.
